

# cubs Uniform Badge Diagram

If they have earned their Chief Scout Bronze Award in Beavers, they may wear this on their Cub uniform.

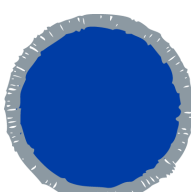

Place it high up on the right breast so that the Cubs challenge awards 'honeycomb' can be started beneath it.

Leave room top left breast for "occasional badges" which come and go as we celebrate events.

Cubs should only wear the highest stage award of any badge. Once they have earned the next level up, it should replace the old one. Beavers can wear any staged badges they have earned.

The "activity plus" badge is awarded to Cubs who already hold a badge and have completed an additional challenge set by the Cub leader. The slightly oversized blue/grey badge goes underneath the activity badge to give a grey/yellow double trim.
